Periodic Test - I (Classes I-IX) & Periodic Test - II (Classes X & XII)

Dear Parents and Students,

Greetings from Samadh Higher Secondary School!

This is to inform you that **Periodic Test - I** for Classes I to IX & XI and **Periodic Test - II** for Classes X and XII will be conducted from 06 July 2026 to 11 July 2026 as per the examination schedule circulated by the school.

Periodic Tests are an important component of the academic assessment process. These examinations help students evaluate their learning, strengthen conceptual understanding, develop examination skills, and prepare systematically for future assessments. Regular performance in these tests enables students and teachers to identify strengths and areas that require additional attention.

For Classes IX to XII, Periodic Tests hold special significance as they form a part of the **Internal Assessment** prescribed by the **Central Board of Secondary Education (CBSE)**. Consistent performance in these assessments contributes to the overall academic record of the student.

Importance of the Periodic Tests

- Assess students' understanding of concepts taught in class.
- Develop regular study habits and self-discipline.
- Improve writing speed, presentation skills, and time management.
- Identify learning gaps at an early stage.
- Prepare students effectively for Half-Yearly, Annual, and Board Examinations.
- Provide valuable feedback to students, parents, and teachers regarding academic progress.

Instructions for Students

1. Attendance for all examinations is compulsory.
2. Reach school on time and be seated before the commencement of the examination.
3. Bring all required stationery items.
4. Read the question paper carefully before answering.
5. Write answers neatly and present them systematically.
6. Follow all examination rules and maintain discipline.
7. Do not engage in any unfair practices.
8. Utilize the allotted time effectively and revise your answers before submission.

Study Tips for Students

1. Prepare a daily study timetable and follow it consistently.
2. Revise lessons taught in class every day.
3. Read all textbook chapters thoroughly.
4. Practice writing answers rather than only reading them.
5. Solve worksheets, assignments, and class tests regularly.
6. Focus on understanding concepts instead of memorizing answers.
7. Take short breaks while studying to maintain concentration.
8. Avoid unnecessary mobile phone usage and excessive screen time.
9. Get adequate sleep and maintain a healthy diet.
10. Stay positive and confident throughout the examination period.

Special Instructions for Classes IX to XII

Students of Classes IX, X, and XII are strongly advised to:

- Read and revise the **NCERT Textbooks thoroughly**, as most examination questions are based on NCERT concepts.
- Practice questions from the **NCERT Exemplar Books** to strengthen conceptual understanding and higher-order thinking skills.
- Solve **Previous Years' Question Papers** to understand question patterns and improve time management.
- Refer to the **Question Banks** provided by the school and CBSE for additional practice.
- Revise important formulas, definitions, maps, diagrams, and key concepts regularly.
- Practice writing complete answers within the prescribed time limit.
- Clarify doubts with subject teachers well before the examination.

Remember: Consistent practice, thorough NCERT preparation, and regular revision are the keys to academic success.

Guidelines for Parents

1. Ensure that your child attends all examinations without fail.
2. Monitor your child's daily preparation and revision schedule.
3. Provide a calm, quiet, and supportive study environment at home.
4. Encourage your child to read textbooks thoroughly and complete revision work regularly.
5. Ensure punctuality and regular attendance during the examination period.
6. Avoid scheduling travel, family functions, or other engagements during examination days.
7. Encourage confidence, perseverance, and a positive attitude towards learning.
8. Discuss progress regularly with your child and provide motivation and support.

Attendance and Examination Policy

- Attendance for all examinations is compulsory.
- Students who remain absent for any examination will be marked **Absent**.
- No re-test or special examination will be conducted for absentees.
- Parents are requested to ensure that students attend all examinations as per the published schedule.

Examination Schedule

Periodic Test - I (Classes I-IX)

Periodic Test - II (Classes X & XII)

Date: 06 July 2026 to 11 July 2026

(Refer to the detailed timetable attached with this circular.)

Message to Students

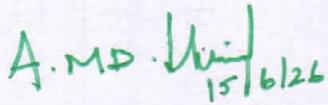

"Success is not achieved in a single day. It is the result of disciplined preparation, consistent effort, and a determination to improve every day."

We request all parents to extend their wholehearted cooperation in ensuring that students prepare sincerely and perform to the best of their abilities.

We wish all our students success in the forthcoming examinations.
