Dear Parents,

Greetings from SAMADH Higher Secondary School!

As part of our **Reading Enrichment Programme**, we are delighted to share the Story Weaver book "A Helping Hand" with your child today.

This beautiful story teaches children the importance of **kindness, empathy, inclusion, friendship, and respecting differences**. Through an engaging exchange of letters, it encourages children to welcome others, understand different perspectives, and become caring friends.

Today's Discussion

Please spend 10–15 minutes reading the story with your child and discuss:

- How can we make a new student feel welcome?
- Why is it important to be kind to everyone?
- What can we do to help someone who feels left out?

Family Activity

Ask your child to write a short letter to:

- A new classmate, or
- Someone who may need a friend.

This simple activity helps develop reading, writing, communication, and social-emotional skills.
